

ISO CHAIR DATA SHEET

Renowned for its simplicity and versatility, the ISO line offers seating solutions for a wide range of environments, including conference rooms, lecture halls, canteens, offices, and healthcare settings.

Iso's adaptability has made it a favourite, with countless units sold worldwide. Its timeless design ensures it remains relevant in various spaces, from traditional offices to modern workplaces.

The ISO line offers a range of seating solutions ideal for conference rooms, auditoriums, offices, schools, and universities. The versatility of these chairs, combined with their functional design, makes them a popular choice for diverse settings.

The ISO chair can also be purchased with our WD Table or our ISO Beam – to create a seamless flow of seating comfort throughout your venue.
