# TIP UP BEAM UNIT DATA SHEET

## Delivery:

- Delivery or Collection is available. Delivery is quoted based on Quantity Ordered.
- Frames arrive preassembled, with basic assembly required to attached seat pans and backrests.
- If available from stock – delivery within 5 working days.
- Suitable floor fixings must be supplied by installer, to ensure correct anchors are used.

**MOQ:** This tip up Beam has a minimum order quantity of 2 units – providing 8 seats. There may be occasions we are able to accept an order for less units – please contact us to request this.

## Upholstered Seats:

Handmade in our Surrey Workshop; we've been working tirelessly on the exquisite comfort of our tip up Sutton Seat with padding and all-weather vinyl. From the selection of over 60 colours, these seats are custom made to order, perfectly suiting any venue.

With options of logo or badge customisation, these can be personalised to your specifications.

## Laser Seat Marking:

Ideal for smaller customisations for long-term use – without stickers and leftover residue. Our Laser marking technology allows us to have writing or images indelibly marked on to the seat. Available on certain colour seats only, please contact us to discuss your requirements or plans.

## NOTE:

- Floor fixings are not included as these vary depending on the material, condition etc of where the seat is to be installed.
- Seat Assembly required. The unit **MUST** be fixed to a stable structure with appropriate fixings to be a useable seat.
- Assembly and installation instructions provided.
